

## **RESOURCE CENTRE**

The project to demolish the existing Community Hall and build a brand new energy efficient Resource Centre remains on track. The final part of the funding application process has been submitted and we are now waiting to hear from the Big Lottery Fund (Reaching Communities) to see if all our efforts have been worthwhile. It has been an enormous task to get this far and we remain hopeful that the money will be forthcoming.

The new centre will be a fantastic facility for Brinsworth and enable us to have a real 'community hub' where there will be lots going on for everybody and a chance to relax in the concourse to enjoy a coffee. It will be open 7 days a week for at least 50 weeks of the year and will offer a far greater range of activities and attractions than the existing Community Hall - a real asset for us all.

We don't want to tempt fate, but being positive about the outcome, the new building is currently being referred to as 'Brinsworth Resource Centre', but we would like to hear from you with your suggestions about whether we should call it something different and, if so, what? Have you any ideas? Let us know.

If you would like to see the latest plans then just call in at the office between 9.00 am and 1.00 pm any weekday.
