2352f Precept *

- To consider the level of precept for 2018/2019 (analysis showing implications of increases supplied)

The Clerk had issued Councillors with three documents showing how much more households would have to pay for different levels of precept. She explained that they were in the same format as previous years and that the calculations are based on the revised Council Tax base for 2018/19. The Clerk also confirmed that there would be no Council Tax Support Grant for 2018/19.

Councillors discussed the matter in detail and acknowledged the need to take into account the reduction of £8,504 in the Council Tax Support Grant and the likely increased (and currently unknown) final expenditure costs relating to the completion of The Centre.

RESOLVED: That the precept for 2018/19 be increased by 15% to provide an income of £299,510.
